MARRIET LIBRET

MEADY Wedding at Green at the Residence of He scholars was injured, attended to the scholars was injured, attended to the scholars was injured, attended to the first wood work.

Our Drone correspondent writes An interesting social event took place at ten o'clock Wednesday forencon at the residence of Alone Samuel Libbey, of Orone, the occasion being the marriage of his daughter, Carrie B., to Mr. Harry C. Basis, one of Lewiston's well known and axcellent young business men. The careposty was performed by Rev. J. Kimball, pastor of the Orone Universalist church, in the Persence of relatives of the two families. Mr. Research's bride is one of Orone's most charming and excellent young ladies.

The T. M. C. A.

the Beary Server, of Monard, was in the day perfector on business.

Mr. and Mrs. Singer in Region, have so turned from their wording tritle.

Mrs. William Et. Popter, of Bellett, was at the Bearger Rouse Lite Light.

Mr. George Mr. Bonnille, at Transporting, was in the Silly presentar, at the Bearger Rouse in the Sender Rouse at the sportster, at the Sender Rouse it is the filly presented that appropriate at the Sendersia, it, and the sportster of the Sendersia, it, and the senders in the Sendersia Rouse in the Rouse in Rouse in Rouse in the Sendersia and the sendersia in the Sendersia and later challength the best has now the Mr. Sendersia and later challenger in the Bears in the Sendersia and later challenger in the Bears have the Will retain and later challenger.

mi 5.5.5 mi

Don Walter now discovered them, and rode forward and greeted them with a theo, deferential, yet easy air Senora del Prado shook her singer at him at the first opportunity, and taxed him with his bad

opportunity, and tasts that what the company.

"On the contrary," and he, "I have been away finaling the survey of the northern boundary of your estate ever since I saw you last, and I only met Capt. Peres pust here by accedent The return of the general remmded me of my negligence, I should have had the work done before "Then I hold you excused," said the

"Then I hold you excused," said the Madre, holding out her hand to him in a mendly way

ing on you common to be presented as your part, general?

"To-mirrow or when you please, my house is always yours."

Don Walter, before riding away agass, apologized for his travel stamed appearance. His work, he said, had been in a very cough part of the country in the thick mountage forests and along the Berrance of Chinardin, a place, selfces writted. His eyes roved with a respectful admiration, which he seemed to make efforts to check, over the fair face of Any as he talked, and he jaid her, with the other ladies, some well turned compliments, by winch even the most decorrously brought up of young women could hardly have failed to be gratified.

tomer, sliding easily into a chair by a small table small table.

The landlord coursed him that everything in the earth, air and see was office command, but the best disk he had reacy at the moment was a very line puckers,

"Bring it on, them. And, what is the news have of late?"

"For one thing, Gen, del Prado has returned from the United States. Es drove through the plans have awhile ago."

"Yes, I knew he was back."

"And he has brought with him the handsomety young gard in all the North—a friend of his daughter's, so some old sequantances at the hactends tell me Her harr, down her back, is no bright as so many sunbeams. My, but she's a hearry! He's pretizer than that picture over there"

over there"

"Hombres" (Mani) exclaimed Walter
in affected astonialment. The picturereferred to was a wretched darb of the
Memcan goddess of liberty on the walback of the counter, whence pulque, the
native beverage, was blundy dispensed,
"I swear it by my head, and the merits
of all my definite relations," orded Antonic-Gessol, enthusianteally.
"And how a it with yourself?" pur-

I'm expecting the men here every minute

put up. Are you a good judge of cee matters?" "Not very, I'm afreed."

or me were considered to the constant of the c

"Bome of them objected that La Alma de Mexico was too old, and that many fondss have that name already."

'There, you see"——.
But at this moment the Jefe Politice,

from historic ages. rom historic ages. If the point was in the paint was in the paint was in the paint of his few and, it singed there; for he made little uniter progress with his argument, he orawed began to marmor with in-

"That many other names," said Gas-

22 pulguero que lo intiende Managraparo por la Intiende ("The pulgue dealer who understands idealed most water thereignings cells."

The Jefe almost assembly to take this levity as an offence leveled directly at

himself.

"Bells Dinon'is the most excellent of titles for a fonds; there is none botter; you might learn of your neighbous," sad he, with the nearest approach to coherence had hed with such rough instruction to she rence had been out to mount his horse, therence, with such rough instructions that he heavy symmetrical the naled legs of Transled Jose, case of the mouse accompanying the del Praces, and caused that worthy arwant to wince with pain.

"Old fraud old reddens which with pain," murmoned "rimded Jose, looking after him indignantly, "but I know something that will make me even with you yet."

"Well, now your sign is all nice, y painted and you up, un't all nice, y painted and you up, un't all nice, and del Prado conciliatingly to Antonio Gazel, preparing to drive on. "What if it has been heard a good des. before, and isn't exactly originall. You know there are a great many people who will only like it all the better for that."

"There, you see? I told you so," Gest-sal could be neard asying, behind them.

are a great many people who will only
like it all the better for that."

"There, you see? I told you so," Guesol could be need saying, belief them.

"What it all this about a Yellow
Shahe? It seems as if I recollected hearing something of the kind before," demanded the guneral.

"I san the une to apply to; I am just
from that locality," sespended Walter,
riding bende the carriage. The story
prevails chiefly among the poor Indian
population of charcoal bursers on the
way to the desclate Harrance of Cinarron. They believe some ancient dety
appears in that gorge-under the form of
a serpent and brings bed luck to whoever sets eyes upon.him."

Henorita Less crossed.hegself, her New
York education notyet having changed
has simple ways to anyagreed arisint.

"I suppose it is only a vestige of the
worship of the god quist-selonal," Walter continued. "One of its titles was
"The Shiming Shake." He is the god in
whote day the cotton used to grow ready
dyed with gorgeous hear, and a single
ear of som was provision enough for a
large family."

"Those people are half idelatury yes."

ear of some was provision enough for a large family."

"Those people are half idolaters yet,"
and the general, in a fatigued way,
"though they ought to have been Chris-tains these last-times hundred years."

"To be some they are. They have caves with alters in them that divide their worship with the churches; and how often idols are doubtin, the magney fields, to which they furtively pay their daysings?"

"Dies map." marrowed the servers.

"Dies mee" murmured the senore, pictally.

"The secure of keeping up the tradition so long is probably that searcely any one has ever been down there to test it, for the place is all but macocastible," and Whiter Avenue.

the other ladies, some well turned compliments, by winch even the most decoronaly brought up of young women could
hardly have fauled to be gratified.

"To not be enmared by hun," said the
general, lowever, by way of playful,
warning, "the blands type of beauty is
rather rare among us, and you may expact therety of dones—compilments; litsmily flowers—while you are here."

They stayed quite a wide at the best
shop and then kropped to buy shoes at a
shop advertising stealf under the sugh of
"The Book of Venus," which consumed
a good ded more of theur time

Meanwhile Don Walter dismounted at
a small new finds or restaurant under
the obtained portals that ran round the
principal square. This place had lately
been opened by one antonio Gassol, a
former employe of the bacterda of Las
Dehclar, as a real to the fonds of the
Bella Union, in the opposite context.

"What can you give me in the way of
a bits of breakfast?" demanded the outtomer, sinding easily into a chair by a

"And how at as with yourself?" pur-sued the variou, affably, thinking per-haps he had heard sufficient on this sub-"Oh. 17 I am having much trouble

"Mot very, I'm afraid."

"Well, you see, I want the title of my place to give anisatection, and it's coer me many a good night's sleep to pick only use the right cale. A title may make or mar a-man, I've known is to be done."

"And what did you settle upon?"

"La Ahma de Memoo, (the Soul of Mer ico), but there are so many others that might have been chosen. How would. That has a more someous -sound. Then there was the Sunor Memous strike you! That has a more someous -sound. Then there was the Sunor Memous -The Mississippl," The Diana," "The Great Mississippl," The Diana," the creat Mississippl,"

fondss Lave that name already."

"So they have," spoke up a voice from the crowd in a disgusted way; "thereare more than a million Alma de Mariocs in the country now"

"Ah! that is you, Perfecto Ponce, you are there, are you? You we're the pencipal one. What do you think he winted? Why, that I should take a tradition of the district he and I come from, and cale the place "The Fances Tellow Snake." He argues that time would be something appealably appropriate, as belonging to our own part of the country.

I say it would bring bring his bad look."

"There was a little fonds of that name up there at linetongs that did vary well, and you know at Many's the drink of pulque we've had there together Bastides if there's any evil influence affect you want to concellate it, don't you'll politiones is not thrown away. I suppose, even on had traditions."

I don't see where the novelty domain, then, and in a city something more rivilized is needed. But one of you chooses one thing, and another another; even if I agreed with you, the rest would still have their own ideas."

"I prefer "El Demonno," or "El Delirio," poles up a new voice. "I have known those titles to enouned finely. They have a bold sound and give a place an eir of excrement like."

"There, you see".

pa officer comewhat corresponding to our mayor, but with a wider jurisdiction.

Mayor, and hear in satisfactory in the satisfactory and applications of the satisfactory in the satisfactory i

"I had many other stance," and Gancol, salang an opportunity in his easterness, "There was "the Aurora," the
Frontism of Love."

"Why not 'the Frontism,' pure and
simple," interposed Don Walter, mochingly, "A great-fature awaits the teremiliaries to be reliable the interposed to the printing who homesty
outhers to be printing the clause of 'a popular's
sir.
